Project Information

Project Name:

Village of Evergreen Park Village Wide Water Meter Replacement

Amount Requested:

\$3,500,000

Project Description:

This project replaces deteriorated water mains that have a consistent history of breakage. Included in this project is the restoration and repaving of the street the water main is under.

Intended Recipient of Funds

Village of Evergreen Park
9418 South Kedzie Ave
Evergreen Park, IL 60805

Explanation of the request:

This project replaces deteriorated water mains that have a consistent history of breakage. Included in this project is the restoration and repaving of the street the water main is under. These water mains proposed for replacement burst often leaving residents without water. Repair costs are high and impact the neighborhoods adversely.
